Who We Are

We are the most complete and established wedding and event resource for the Oregon coast. Our sites reach over 75,000 couples each year, is at the top of every major search engine for almost anything wedding-related in our area, and we've been online since 1997.

The Oregon coast is one of the most popular and beautiful wedding destinations in the Northwest, and the majority of couples are going online to find what they need to plan their beach weddings.

Want more business? At Oregon Coast Weddings, we are completely focused on getting your company exposure. We're always out there promoting our site and networking with vendors, and we work on search engine optimization every single day to keep our spot at the top.

*When people find us,
they find you!*

We Know Weddings

We're not only the number one wedding and event resource on the coast, we also cover Central Oregon with our Central Oregon Weddings site, the entire Portland area with our Portland Weddings site, and all of Southern Oregon with our South Oregon Weddings site.

We know weddings, and we know Oregon. Over the years we've worked with countless vendors in locations and venues all over our beautiful state. We love everything about our local wedding industry, and maintain an intense focus on keeping our sites dedicated to the incredibly talented professionals that live and work here.

Whether you're a wedding vendor looking to bring in more business, or a couple planning the big day, Oregon Coast Weddings provides everything you need for success!

The Wedding Industry

Capture Your Share!

When it comes to getting married, it's no-holds-barred for most couples. The average wedding costs around \$32,000, and the wedding industry in the U.S. is valued at \$51 billion! With over 14,000 weddings in Oregon each year, this industry is truly a lucrative one.

How do you tap into this market? Through the internet! These days over 80% of couples are going online to plan their weddings. That's why having good visibility and a strong web presence is so important. We work hard to stay at the top so you can focus on your clients, and gain new ones.
